Jean, heads up. The power company is trying to contact your plant rep. I gave our EPA at the EOC in Houston your contact info to pass to them, so expect a call from them. Hope everything is going well. Thxs, Roberto.

CenterPoint Energy's rep. to the Houston EOC told me that the company needed to go into the Arkema facility and asked me if EPA had any information on the status of the facility. Is there someone I can put them in touch with?
